To Whom It May Concern,

DEPARTMENT OF HUMAN SETTLEMENTS TESTIMONIAL

Between March and August 2014, Flamenco Publishing helped the Department of Human Settlements produce a coffee table book called *Celebrating 20 Years of Bringing the Freedom Charter to Life*. The project, which was about chronicling 20 years of housing the nation in a democratic dispensation, involved traversing the country to interview beneficiaries of various housing projects.

We engaged Flamenco Publishing because we knew we would get the job done. We wanted a book of high quality, with thoughtful content. We were not disappointed. In fact, our expectations were exceeded. Not only was the book well written (a brief we had given Flamenco), but it was tastefully designed and thoughtfully packaged. Despite the pressure of deadline, working with Flamenco was a joy.

As a Department, we highly recommend the company's service and wish them all the best in their business.

Kind Regards

Xolani Xundu
